

2019 HIGHLIGHTS

STRENGTHENING FOUNDATIONS

The Slovak civic association established in 2017 continued to fulfill its mission, i.e. promotion of digital citizenship built on active citizens and youth engaged in community, fight for human rights online and prevention of online risks. We grew into a network of 5 core staff, 4 collaborating experts and 4 volunteers.

#CYBER4KIDS PROGRAM

In cooperation with KPMG Slovakia we rolled out a program designed to increase cyber security and knowledge of kids of primary schools on how to be safe online. 500+ participants//10+ lecturers a.k.a. volunteers//2-5 hour training program

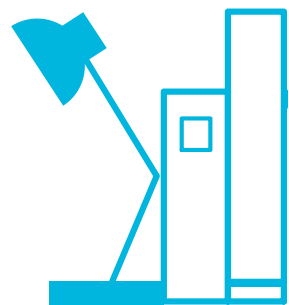

NO HATE @SCHOOL PROGRAM

We closed a pilot year of the No hate @school program whose methodology we designed and is run by a Slovak Youth Institute (Iuventa) and Education ministry. It is a preventive program for primary and secondary schools aiming to create a hate free ambiance in schools working together with students, parents and teachers. We continue with the 1st year and consult 3 of the 23 involved schools.

WORKSHOPS

We delivered workshops to primary and secondary schools students, and also universities and private companies on:

- how to identify disinformation
- how to fight hate speech online
- how to be safe online
- how to talk to kids about internet safety and security

2 INTERNATIONAL PROJECTS

We started two international projects:

Open Code for Hate-Free Communication with INACH member organisations ActiveWatch (RO), Estonian Human Rights Centre (EE), NEVER AGAIN Association (PL) and Movimiento Contra la Intolerancia (ES).

Un)safely in the net with a Czech Association for international affairs and Prešov based Centre for informal education.

HATE SPEECH MONITORING

In 2019 we continued reporting illegal content on internet to social media companies and law enforcement. We reported 543 cases of hate speech, stolen identity, hacked accounts, spams and case of unethical marketing, unsolicited explicit content. As trusted flagger we joined the 5th monitoring exercise of the European Commission under the Code of Conduct.
